

BUILD-O-MATIC

The Build-o-Matic allows you to finish those ugly, incomplete buildings that have been laying around your homestead!

Not all buildings will be in the build-o-matic at all times, but fear not – new buildings will be rotated in. This also means that some buildings will be rotated out, so make sure to finish the buildings while they are in the build-o-matic. Current buildings being supported by the AMAZING build-o-matic include:

All done with these buildings? From the Build-o-Matic, you can also construct the manufactured create. This crate gives out some very useful and powerful rewards!

Crate rewards include horseshoes, book of XP, beef jerky, boosts, xp, rare animals, and much more! Start Building NOW!!!

5 Use Cattle Power to complete building requirements. Complete all requirements to fully upgrade the building!

Manufactured
Crate

6 You can also use Cattle Power to make **Manufactured Crates**!

These crates give awesome rewards like horseshoes, boosts, and XP.

How does it work?

BUILD-O-MATIC

Scroll to see current buildings available in the build-o-matic*

Place Building to start Construction

*Not all buildings will be supported in the Build-o-matic. Some buildings will only be available in the build-o-matic for a limited time. Take advantage of upgrading buildings with Cattle Power while the building is available!

This is the amount of Cattle Power (CP) you current have in your inventory.

You can buy more CP with horseshoes

Buy Cattle Rotators and Hamster Generators to make more CP

Completed requirements will look like this

Use Cattle Power to fulfill any building requirement*. One Cattle Power is equivalent to any building part. START BUILDING!

*Does not work for special building pieces that get from completing certain quests.

Completed buildings will have a "Complete" Stamp.
